- (c) To allow the seasonal movement of clubs.

All leagues, and clubs participating from time to time in such leagues (the "Clubs"), shall be bound by these regulations until such time they resign in writing from the Winter Women's Football Pyramid. All leagues will be required to sign a copy of these regulations as and when required by the FA Women's Football Committee ("FAWFC").

3. RULES AND REGULATIONS FOR PROMOTION AND RELEGATION

- 3.1 The Winter Women's Football Pyramid shall provide for the seasonal promotion and relegation of clubs between Steps within the system. A league that signifies its acceptance to be bound by these regulations must be in a position to promote and relegate clubs at the conclusion of each season. In extenuating circumstances, where a league is not in a position to relegate due to that league not being up to strength, they must obtain the permission of the FAWFC.

4.2 It may be necessary from time to time to move clubs between leagues at the same Step to accommodate the movement of clubs by normal promotion and relegation. Where this is necessary, no club will be asked to move more than once in any three seasons, unless it would be advantageous to do so earlier than three seasons, as determined by the FAWFC.

4.3 Subject to any potential and subsequent changes to the competition structure referred to below, at the conclusion of each Season, (unless set out otherwise below), the following procedures will apply:

Step W1 and Step S2

For the 2016/2017 Season only, the club crowned champion of The FA Women's Premier League at the end of The FA Women's Premier League season will be promoted to The FA WSL 2 (Step S2). Any such promotion will be in accordance with the league rules of The FA Women's Premier League and The FA Women's Super League and the competition structure in place following the relevant club's promotion*.

*The current structure of The FA WSL and women's summer football pyramid is under review and promotion to The FA WSL will be promotion to the competition structure agreed in respect of The FA WSL by The Women's Football Board and The FA WSL Management Committee.

Step W1 and Step W2

The Clubs in the bottom two places in each of the two divisions at Step W1 (FAWPL Northern and Southern Divisions) will be relegated to Step W2 (FAWPL Division Ones). They will be replaced by the Clubs finishing in 1st position in each of the Leagues at Step W2 subject to the ground grading criteria for Step W1.

Step W2 and Step W3

The Clubs in the bottom two places in each of the four divisions at Step W2 will be relegated to Step W3 (Regional League Premier Divisions). They will be replaced by the Clubs finishing in 1st position in each of the Leagues at Step W3. Should a Club finishing in 1st position not wish to be considered for promotion, then the Club finishing in 2nd or 3rd place may take its place. Clubs finishing lower than 3rd place will not be considered for promotion.

Step W3 and Step W4

The Clubs in the bottom two places in each of the eight Leagues at Step W3 will be replaced by the Clubs finishing in 1st place in each of the divisions at Step W4 (Regional Leagues 1st Divisions). Should the ground of a Club finishing in 1st position be deemed not suitable by the respective management committee for Step W3, then a Club finishing in 2nd (or 3rd) may take its place, provided that its ground does meet the requirements of Step W3.

Other promotions and relegations can occur if agreed by the Clubs in Membership or in the case of the South East Region, by the Joint Liaison Committee and with the approval of the FAWFC.

Step W4 to Step W5

The movement of Clubs between Steps W4 and W5 (County Leagues) will be via a promotion pool.

The Clubs at Step W5 can apply to the FAWFC to be considered for promotion to the relevant League at Step W4. Application must be made by 31 March and priority will be based on the finishing positions of the Clubs at Step W5. In the event that the Champion Club at Step W5 has not applied for promotion by the deadline date, they should still be considered for promotion to Step W4.

The FAWFC, in consultation with the relevant Joint Liaison Committee, shall decide which Clubs shall be promoted taking into account the number of vacancies after any relegation has occurred.

Play-Off Matches

Where the appropriate Joint Liaison Committee decides that a number of play-off matches are required for promotion and relegation, then these play-off matches shall be organised at the end of the Season, provided that the Clubs were given notice prior to the start of that Season or, if such notice is not possible due to circumstances during the Season, in agreement with all Clubs involved with these play-off matches.

Steps within the same League

In exceptional circumstances, the promotion and relegation within the Steps in the same League may be decided by majority of those Clubs and the League Management Committee eligible to vote and in attendance at a Special General Meeting or Annual General Meeting, subject to approval of the FAWFC.
